- Tack hammer. An example photo is below.

- Exacto or craft knife. An example photo is below. Other brands are available.

Students must wear **long pants** and **close-toed shoes** in class and **remove hand and wrist jewelry**.

Student Expectations and Safety

STAINED GLASS CLASSES

Our ability to offer this class in the future will depend heavily on our capacity to:

- 1. Maintain cleanliness in the classroom for the safety of others using the space.**
- 2. Respect student/faculty projects/equipment in the classroom.**

Academic courses may also be using the space. At any time during the quarter, there may be student projects/materials present. Please do not touch or move any items. Please do not handle or remove any tools or supplies that are not part of the stained glass class.

SAFETY/CLEANLINESS

- The last 15-20 minutes of each class will be dedicated to safely collecting and storing all equipment and **cleaning all workstations and common spaces in the classroom**. This is part of the class, and every student is expected to participate.
- Brushes/brooms/dustpans/garbage cans and other items will be provided exclusively for the stained glass class. To avoid contamination, please DO NOT use any cleaning items that are not clearly identified as “stained glass.” Please ask the instructor if you are unsure.
- Maintain awareness of your workspace and common areas, and clean as needed.
- Follow procedures and handling precautions for equipment and materials outlined by the instructor.
- Wear protective eyewear (safety glasses or goggles) when directed by the instructor.
- Wear appropriate clothing to class: long pants and close-toed shoes.
- Remove hand/wrist jewelry during class.
- **Safety precautions will be enforced. Please do not put the instructor in the uncomfortable position of denying participation for violation of safety rules.**

GENERAL

- All supplies and materials provided by WVC **must stay on campus**, in the provided bins/storage areas.
- Students may bring snacks/drinks, but they may not be consumed in the classroom. There are common areas outside the classroom.

I have read all items above and agree to follow all safety and cleaning rules and procedures.
